

Dans: Be Strong
Artist: Chris De Burgh
Song: The Words "I Love You"

There are those who think that love comes with a lifetime guarantee,
But we know from those around us, that this may not always be,
It's the simple things that come between a father and a son,
But when they try to talk, the knives are out before they have begun;

Well that was me, and I have seen the light that shines for eternity,
Because I learned to say the words "I love you;"

So many hearts have been broken by the lies of history,
And so many arms are still open for that final mystery;
We must show respect for all the rest, and what a man believes,
And the one who died upon the cross, well he is the one for me,
And he said "Come with me and you will see the light that shines
For eternity, be strong and learn to say the words "I love you;"

And this endless road that we are on just keeps on going round,
But there's one destination that always is here to be found;

So come with me, and you will see the light that shines for eternity,
Be strong and learn to say the words "I love you,"
Be strong and learn to say the words "I love you," the words "I love you,"
The words "I love you," the words "I love you."
