**Artist: The Texas Tornados - Lyrics**  
**Song: Little Bit Is Better Than Nada**

Met her in a border town  
We proceeded to get down  
She turned me on  
I dropped the telephone

Moonlight hits the Rio Grande  
And the touch of her hand  
It makes me high  
Like the Fourth of July

The bad bandito came into town  
But man I'm gonna hunt that gringo down  
But these words keep ringin' in my ear

A little bit is better than nada  
Sometime you want the whole enchilada  
A little bit is better than nada  
A little bit or nothing at all

Said Cancun was not her style  
Turistas there they drove her wild  
The border's the place  
Put on a brand new face

Me and the boys are just in town  
Shake 'em up roll 'em down  
I guess it was fate  
I hope I wasn't too late

Bad bad boys was on our trail  
Federales threw us all in jail  
But these words keep ringin' in my ear

A little bit is better than nada  
Sometime you want the whole enchilada  
A little bit is better than nada  
A little bit or nothing at all

A little bit is better than nada  
Sometime you want the whole enchilada  
A little bit is better than nada  
A little bit or nothing at all

A little bit is better than nada  
Sometime you want the whole enchilada  
A little bit is better than nada  
A little bit or nothing at all

A little bit is better than nada  
Sometime you want the whole enchilada  
A little bit is better than nada  
A little bit or nothing at all
