Song: In A letter To You

I tore my letter up, I couldn't even start  
To tell you what's really in my heart  
There's only so much that words can say  
So I sent you a piece of this beautiful day.

Oh I want you to know that I took a rainbow  
And sent it off in a letter to you  
I took some flowers in the spring made a sweet clover ring  
And sent it off in a letter to you

I took a song from the lark, the moon from the dark  
And a spark with the sparkling dew  
With a kiss and a hug and a whole lot of love  
And sent it off in a letter to you

The mornin' sun peekin' through the trees  
And the dandelion silk tangled in the breeze  
I folded it up and I sealed it with a kiss  
It's the kind of letter that you can't resist.

Oh I want you to know that I took a rainbow  
And sent it off in a letter to you  
I took some flowers in the spring made a sweet clover ring  
And sent it off in a letter to you

I took a song from the lark, the moon from the dark  
And a spark with the sparkling dew  
With a kiss and a hug and a whole lot of love  
And sent it off in a letter to you

In a day or two, just you wait and see  
You're gonna get a special delivery  
You'll know the way I feel, there can't be any doubt  
When you open it up and let the love spill out

Oh I want you to know that I took a rainbow  
And sent it off in a letter to you  
I took some flowers in the spring made a sweet clover ring  
And sent it off in a letter to you

I took a song from the lark, the moon from the dark  
And a spark with the sparkling dew  
With a kiss and a hug and a whole lot of love  
And sent it off in a letter to you

And sent it off in a letter to you  
And sent it off in a letter to you  
In a letter to you  
In a letter to you
