Song: Fishin' In The Dark

Lazy yellow moon coming up tonight
Shining through the trees
Crickets are singing
And the lightning bugs are floating on the breeze
Baby get ready

Across the field where the creek turns back
By the old stump road
Im going to take you to a special place
That nobody knows
Baby get ready

Ooo ooo ooo

You and me going fishing in the dark
Lying on our backs and counting the stars
Where the cool grass grows

Down by the river in the full moon light
We'll be falling in love in the middle of the night
Just moving slow

Staying the whole night through
Feels so good to be with you

Spring is almost over and the summers comin
The days are getting long
Waited all winter for the time to be right
Just to take you along
Baby get ready

And it don't matter if we sit forever
And the fish don't bite
Jump in the river and cool ourselves
from the heat of the night
Baby get ready

Ooo ooo ooo

You and me going fishin in the dark
Lying on our backs and counting the stars
Where the cool grass grows

Down by the river in the full moon light
We'll be falling in love in the middle of the night
Just moving slow
Staying the whole night through
Feels so good to be with you
And me going fishing in the dark
Lying on our backs and counting the stars
Where the cool grass grows

Down by the river in the full moon light
We'll be falling in love in the middle of the night
Just moving slow
