Song: Then She Kissed Me

Well she walked up to me and she
asked me if I wanted to dance.
She looked kinda nice and so I said "I might take a chance".
When we danced, she held me tight,
and when I walked her home that night,
all the stars were shinin' bright and then she kissed me.

Each time I saw her I wished that I could see her again,
I wanted to let her know that she was more than a friend.
I didn't know just what to do,
so I whispered "I love you",
she said that she loved me too and then she kissed me

She kissed me in a way that I've never been kissed before,
it's the way that I wanna be kissed forevermore

solo

She kissed me in a way that I've never been kissed before,
it's the way that I wanna be kissed forevermore

I knew that she was mine and so I gave
her all the love that I had.
Then one day she took me home to meet her mom and her dad,
then I asked her to be my bride,
and always be right by my side,
She felt so happy she almost cried and then she kissed me,
and then she kissed me,
and then she kissed me
