

Dans: Disapearing Bubbles  
Artist: Billy Currinton  
Song: Love Done Gone

Don't worry, baby, sometimes things change  
Nothin' we can do about it now, no way  
This doesn't come easy, but that's just life  
We can't keep pretendin' everything's alright

We told each other it was love before  
The simple truth is it just ain't no more  
The bells stop ringin', the music won't play  
The crazy little feelin' that's faded away

Like snowflakes when the weather warms up  
Like leaves on the trees when the autumn comes  
Like the dogwood blossoms in a late spring rain  
All the disappearin' bubbles in a glass of champagne  
Like a red kite lost in a blue sky wind  
I don't know where the good times end when  
It ain't nothin' we ever said or ever did wrong  
It's just love done gone

I don't regret a single thing that we did  
Anytime together, we ever spent  
I wouldn't change a thing, baby, you know  
Sometimes we gotta just go with the flow

Like snowflakes when the weather warms up  
Like leaves on the trees when the autumn comes  
Like the dogwood blossoms in a late spring rain  
All the disappearin' bubbles in a glass of champagne  
Like money in a slot machine  
Don't know what happened to you and me  
It ain't nothin' we ever said or ever did wrong  
It's just love done gone

It's just love done gone

It's just love done gone
