

Dans: Fields Of Gold  
Artist: The Mavericks  
Song: Something Stupid

I know I'd stand in line until you think  
you have the time to spend an evening with me  
And if we go someplace to dance  
I know that there's a chance  
you won't be leaving with me  
And afterwards we'd drop into a quiet little place  
and have a drink or two  
And then I'd go and spoil it all  
by saying something stupid  
Like I love you

I can see it in your eyes that you despise  
the same old lies you heard the night before  
And though it's just a line to you from me  
it's true and never seemed so right before

I practise everyday to find some clever lines  
to say to make the meaning come true  
But then I think I'll wait until  
the evening gets late and  
I'm alone with you  
The time is right your perfume fills my head,  
the stars get red and oh the night's so blue  
And then I'd go and spoil it all  
by saying something stupid  
Like I love you

The time is right your perfume fills my head,  
the stars get red and oh the night's so blue  
And then I'd go and spoil it all  
by saying something stupid  
Like I love you  
I love you  
I love you  
I do
