

Dans: First Step
Artist: Brady Seals
Song: Love You Too Much

Well, my head starts sinkin' when you walk out that door
My mind gets worried and I walk the floor
I start missin' you baby a little more than I should
I guess I love you too much
Too much for my own good

I'm like a lost soul driftin' on a deep dark sea
When ever you ain't here with me
If I could spend every minute with of the day with you baby I would
'Cause I love you too much
Too much for my own good

Well I hate to admit it but I do suspect
I'm just a love struck fool and a nervous wreck
It ain't like me to be uncool this way
But that's the way it's been since the very first day

Girl half the time you don't even treat me right
Tell me little lies and stay out all night
I'd probably say goodbye and leave you baby if I could (yes I would)
But I love you too much
Too much for my own good

Well I hate to admit it but I do suspect
I'm just a love struck fool and a nervous wreck
It ain't like me to be uncool this way
But that's the way it's been since the very first day

Girl half the time you don't even treat me right
Tell me little lies and stay out all night
I'd probably say goodbye and leave you baby if I could (yes I would)
But I love you too much
Too much for my own good

Yeah I love you too much
Too much for my own good
