

Dans: Gave It All Away  
Artist: Boyzone  
Song: Gave It All Away

I ... I will learn to live before I die  
will learn to love and learn to try  
not to give it all away (give it all away)  
She ... she may be  
the one that's meant for me  
or for the man that I used to be (used to be)  
til' I gave it all away (gave it all away [x2])

*[Chorus]*  
why hy hy I lay my heart down on the floor  
I showed you love, you wanted more re re  
but I gave it all away (cry ry ry ry cry ry ry ry)

you taught me to see the better truth  
about yourself but about me too (about me too)  
I was stupid over you  
what could I do

*[Chorus]*  
why hy hy I lay my heart down on the floor  
I showed you love, you wanted more re re  
but I gave it all away (cry ry ry ry cry ry ry ry)

some people wait a lifetime for a chance like this  
I've waited enough  
baby, no, I won't let you go  
I'm sick of tears and being fierce

(I won't let go of you, I won't let go of you, of you, of you [x2])

*[Chorus]*  
why hy hy I lay my heart down on the floor  
I showed you love, you wanted more re re  
but I gave it all away (cry ry ry ry cry ry ry ry)

there's nothing left to take (cry ry ry ry cry ry ry ry ry)

I gave it all away
