

Dans: Honky Tonk Twist
Artist: Scooter Lee
Song: Honky Tonk Twist

Twist , the honky tonk twist
We got a new dance and it goes like this
Come on everybody it's the honky tonk twist

Grab yourself a partner now get on the floor
A swinging chitterbug, we'll be cooking for sure
We're gonna move to the left now move to the right
It's a cool little dance we'll be doing all night
It's time to let go so don't hold back
Slide into the twist, oo i like it like that

Let's twist, the honky tonk twist
I like it like this, oo baby baby when we twist
Ah.....the honky tonk twist

Now people been dancing for centuries
They been busting loose, they been breaking free
Now move to the groove and stomp your feet
Clap your hands, grab your hips, now wriggle your seat
Let's twist, honky tonk twist, I like it like this
Go crazy with the twist, ah.....the honky tonk twist

By this time you know how it goes
You're looking real good and baby it shows
You can twist real fast, you can twist real slow
Twist back on your heels and up on your toes
No time to waste, no time to kill
Slide into the twist, lets see how it feels

To twist, honky tonk twist
I like it like this, oh baby when we twist
Ah.....the honky tonk twist

Now people been dancing for centuries
They been busting loose, they been breaking free
Now move to the groove and stomp your feet
Clap your hands, grab your hips, now wriggle your seat

Let's twist, honky tonk twist
I like it like this, go crazy baby with the twist
Ah.....the honky tonk twist

Twist, the honky tonk twist
I like it like this, oh baby when we twist
Oo .jeah.....the honky tonk twist

Let's twist, honky tonk twist
I like it like this, oo baby baby when we twist
Ah.....the honky tonk twist

Let's twist, the honky tonk twist
I like it like this, go crazy baby with the twist,
We got a new dance and it goes like this
Come on everybody it's the honky tonk twist
