

Dans: Laid Back
Artist: Michelle Wright
Song: Laid back Stone Cold

When you need somebody
The way that I need you
There ain't nothing
In this whole wide world
That I would not do

Spend my time my energy
And all my money too
Cause I'm laid back
Stone cold, knocked out
In love with you

Well it's thunder and lightning
Each time that we kiss
So there's only
One thing I know of
Could to make me act like this

My hands are shaking, my knees get weak
My heart starts pounding too
Cause I'm laid back
Stone cold knocked out
In love with you

Knocks me down
When you're around
It wouldn't take a feather
To knock me down
There won't be much
Left of me to save
Cause your hold over me
Is like a tidal wave

It feels so good
That I don't mind at all
You've really got a hold on me
So I don't care if I fall
Your lovin really packs a punch
But I'm not black and blue
I'm justa laid back
Stone cold, knocked out
In love with you

I know I'm actin
Like a love sick fool
I follow you around
Like a kid in school
But when I'm with you
It thrills me so
And when we touch
It's a T K O

You know I just can't help myself
I guess it's really true
I'm a laid back
Stone cold, knocked out
In love with you

I'm a laid back
Stone cold, knocked out
In love with you

I'm just a laid back
Stone cold, knocked out
In love with you
