

Dans: Legend In My Heart  
Artist: Dolly Parton  
Song: Before The Next Teardrop Falls

If she brings you happiness  
Then I wish you both the best  
It's your happiness that matters most of all  
But if she ever breaks your heart  
If the teardrops ever start  
I'll be there before the next teardrop falls

Though it hurts to let you go  
Darling I want you to know  
I'll run to you if ever you should call  
And if I should ever hear  
That she's made you shed a tear  
I'll be there before the next teardrop falls

I'll be there anytime you need me by your side  
To dry away each teardrop you've cried  
If she ever leaves you blue  
Just remember I love you  
And I'll be there  
Before the next teardrop falls

Alli Estare Candor me necesites a tu lado  
Para borrar cadda lagrima que haya llorado  
If he ever leaves you blue  
Just remember I love you  
And I'll be there  
Before the next teardrop falls

I'll be there, I'll be there  
Before the next teardrop falls
