

Dans: Long Gone  
Artist Garth: Brooks  
Song: My Baby No Esta Aqui No More

She used to be my rosa amarilla  
My little Mexicali tomatilla  
But then one night I drank too much sangria  
Woke up and found a note that said I'll see you

(Chorus)

Oh, my baby no esta aqui no more  
My baby no esta aqui no more  
She left me here with nada  
Broke my heart like a pinata  
My baby no esta aqui no more

Whoa, whoa, whoa, if you see her  
Please, please tell her that i need her

I used to be her number one vaquero  
Her numero uno cabllero  
But I've had to hock my spurs and my sombrero  
'Cause when she left she took all my dinero

(Repeat Chorus)

Whoa, whoa, whoa, if you see her  
Well please, please tell her that i need her

Oh, my baby no esta aqui no more  
My baby no esta aqui no more  
she left me with nada  
Broke my heart like a pinata  
My baby no esta aqui  
My baby no esta aqui  
My baby no esta aqui no more
