

Dans: Moonlight Kiss

Artist: Raul Malo

Song: Moonlight Kiss

Let me tell you about a moonlight kiss,
That she gave me on a night like this,
Just a little taste of heavens bliss,
That I took away with me,
Any time I see the stars above,
She's the only one I'm thinking of,
I don't know if you can call it love,
But its good enough for me..

She's the vision that I can't forget,
(brother you ain't seen nothing yet)
She's the only woman in my dream,
(things ain't always what they seem)
All I wanna do is hold her tight,
(what you gonna do when she's out all night)
I don't remember asking your advice,
(brother go ahead and roll the dice)

That's the trouble with a moonlight kiss,
That she gave me on a night like this,
Just a little taste of heavens bliss,
That I took away with me,
Any time I see the stars above,
She's the only one I'm thinking of,
I don't know if you can call it love,
But its good enough for me..

She's the lover that I wont regret,
(brother how much you wanna make a bet)
Nothing you say is going to bring me down,
(you should hear the rumours going round)
She makes me feel like I'm the only one,
(it wont be long before your done)
Why you always gonna mess with me,
(brother the truth will set you free)

That's the trouble with a moonlight kiss,
That she gave me on a night like this,
Just a little taste of heavens bliss,
That I took away with me,
Any time I see the stars above,
She's the only one I'm thinking of,
I don't know if you can call it love,
But its good enough for me..

That's the trouble with a moonlight kiss,
That she gave me on a night like this,
Just a little taste of heavens bliss,
That I took away with me,
Any time I see the stars above,
She's the only one I'm thinking of,
I don't know if you can call it love,
But its good enough for me..
