

Dans: Poor Boy Shuffle  
Artist: The Tractors  
Song: Poor Boy Shuffle

Workin' man tired of workin' workin' till he's dead  
Got to crawl a crooked mile just to get a step ahead  
Banker got the money farmer put it in the ground  
Banker goin' uptown farmer goin' down

It's a do si do and tip of the hat  
One step forward and two steps back  
Great gosh a mighty we're doin' the Poor Boy Shuffle

It's an age old dance ain't nothin' new  
Damned if you don't damned if you do  
Left side right side upside down  
Do the hokey pokey turn yourself around

It's a do si do and tip of the hat  
One step forward and two steps back  
Great gosh a mighty we're doin' the Poor Boy Shuffle

Sometimes you just got to take a chance  
Strike a pose take a stance  
And get off your butt and dance

One step two step three step four  
Do a boogie woogie in the middle of the floor  
Keep on dancin' doin' the Poor Boy Shuffle

guitar

Taxman Taxman knockin' at the door  
Gimme all you got to give then gimme gimme a little more  
It's a bad boogaloo it's the ultimate hustle  
It's a dance marathon it's the Poor Boy Shuffle

It's a do si do and tip of the hat  
One step forward and two steps back  
Great gosh a mighty we're doin' the Poor Boy Shuffle

...

Sometimes you just got to take a chance  
Strike a pose take a stance  
And get off your butt and dance

One step two step three step four  
Do a boogie woogie in the middle of the floor  
Keep on dancin' doin' the Poor Boy Shuffle

It's a do si do and tip of the hat  
One step forward and two steps back  
Great gosh a mighty we're doin' the Poor Boy Shuffle
