

Dans: Salt Lake Swing
Artist: The Mavericks
Song: All You Ever Do Is Bring Me down

I can't sleep a wink anymore
Ever since you first walked out the door
Then I just started drinking to forget
But I don't think the worst has happened yet

(Chorus:)
All you ever do is bring me down
Making me a fool all over town
They all wonder why I wear a frown
That's cause honey all you ever do is bring me down

It's funny how my whole world fell apart
I think I saw it coming from the start
I tried to tell myself that you'd be true
But I expected way too much of you

All you ever do is bring me down
Making me a fool all over town
They all wonder why I wear a frown
That's cause honey all you ever do is bring me down

All you ever do is bring me down
Making me a fool all over town
They all wonder why I wear a frown
That's cause honey all you ever do is bring me down

That's cause honey all you ever do is bring me down

Honey all you ever do is bring me down
