

Dans: Show Her You Care  
Artist: Bellamy Brothers  
Song: Like She's Not Yours

You're love's not burning with that same old glow  
You're tryin' to win what you already won  
You love her and you want to let her know  
Well buddy this is my opinion

Sweep her off her feet with a slow slow dance  
Hold her like she's holding on to new romance  
If you want a love what you can be sure  
Take her out and treat her like she's not yours

She wants to feel like it's the first time  
You gotta shower her with chivalry  
She's full of fantasy from nursery rhymes  
I know what I would do if it were me

Sweep her off her feet with a slow slow dance  
Hold her like she's holding on to new romance  
If you want a love what you can be sure  
Take her out and treat her like she's not yours

Soon, you'll be the lover in her life  
Lyn' in her arms, dancing in her eyes

Sweep her off her feet with a slow slow dance  
Hold her like she's holding on to new romance  
If you want a love what you can be sure  
Take her out and treat her like she's not yours

Sweep her off her feet with a slow slow dance  
Hold her like she's holding on to new romance  
If you want a love what you can be sure  
Take her out and treat her like she's not yours
