Artist: Ronnie McDowell
Song: Smokey Places

Meeting in smokey places
Hiding in shadowy corners
Dancing where no one knows our faces
Sharing love stolen in the night
In smokey places

Oh oh how I cried
On your wedding day
Like, like my heart would break
How you regret your wedding day
Now you gonna pay your sad mistake

Mmmmmm
Meeting in smokey places
Hiding in shadowy corners
Oh we are dancing where no one knows our faces
Sharing love stolen in the night
In smokey places

Some sunny day
H's gonna set you free
An you, you be free
To be by my side
Oh yes, you gonna be free
Some sunny day
And when that day comes
We'll be, we'll be satisfied

Meeting in smokey places
Hiding in shadowy corners
Oh dancing where no one knows our faces
Stealing lovin' in the night
In smokey places

Stealing lovin' in the night
In smokey places

Stealing lovin' in the night
In smokey places
