

Dans: Telepathy
Artist: Toby Keith
Song: You Can't Read My Mind

Why'd you have to wear that dress this evening?
Those high heels with those buckles on your feet?
I love the way your hair falls down across your shoulder
But you ain't gonna hear that from me.

You've got my heart racing like a freight train
Wishing you and me were somewhere else
I know how good it's gonna be when we get to where we're going
Think I'd better keep it to myself

'Cause baby I can't tell you what I'm thinking
I've had way too much to drink tonight
Whoa, this is where I usually say something out of line
Just be glad that right now you can't read my mind

Every time we dance we're getting closer
And I'd like to say a thing or two about it
But trust me, you don't wanna get me talking
I'm better off just dancing all around it

'Cause baby I can't tell you what I'm thinking
I've had way too much to drink tonight
Whoa, this is where I usually say something out of line
Just be glad that right now you can't read my mind

'Cause baby I can't tell you what I'm thinking
I've had way too much to drink tonight
Whoa, this is where I usually say something out of line
Just be glad that right now you can't read my mind

Oh, the road to love is paved with good intentions
Just be glad that right now you can't read my mind

Just be glad that right now you can't read my mind
