One shot, Two shot, Three tequila floor,
Cowboy bouncer's 'bout to bowl me out the door
Jose got me stumblin' mumblin' like a fool
That worms got a kick like a Tennessee mule
Wake up in the mornin hurtin head skinned knees
Aint no doubt about whats puttin a whoopin on me

Tequila Goes down easy, lord it will sneak up on you fast
Tequila Great Big buzz in a lil bitty glass
Tequila Glass, salt, straight up, chilled,lemon lime
Blue on the rocks, frozen margarita time
Mexicali, blue aguave, fire in a bottle
Too much Cabo Wabo do the cucha racha wobble
You think by now a drinkin man would learn
You dont go toe to toe with that lil bitty worm

Tequila Goes down easy, lord it will sneak up on you fast
Tequila Great Big buzz in a lil bitty glass
Tequila Glass, salt, straight up, chilled,lemon lime
Blue on the rocks, frozen margarita time
Mexicali, blue aguave, fire in a bottle
Too much Cabo Wabo do the cucha racha wobble
You think by now a drinkin man would learn
You dont go toe to toe with that lil bitty worm
