Artist: Keith Urban  
Song: Hit The Ground Runnin'

Well if you ever said goodbye  
I wouldn't waste all of my time cryin'  
I wouldn't sit home alone wondering where I went wrong  
I'd be rockin' on out of here  
Baby, faster than a rolling tear  
Ain't no grass gonna grow under me when you're gone  
No, I won't stay down for long

I'd hit the ground  
I'd hit the ground runnin'  
I know exactly what I'd do, honey  
I'd hit the ground  
I'd hit the ground runnin'  
I'd hit the ground runnin' after you

Yeah Woo

I'm gonna stop in ...  
For a couple things I gotta pick up  
Like some pretty red flowers and a store bought card  
That say what I really feel  
That I need ya' and I always will  
And the three little words that used to come hard  
Then I jump in back in my car and then

I'd hit the ground  
I'd hit the ground runnin'  
I know exactly what I'd do  
I'd hit the ground  
I'd hit the ground runnin'  
I'd hit the ground runnin' after you  
There ain't no doubt, I ain't that proud  
There ain't no doubt about what I'd do  
I'd hit the ground  
Hit the ground  
Hit the ground runnin' after you, yes, I would, woo

So if you gotta go baby, I won't stop you  
And I won't sit around and miss you, no , no , no  
'Cuz if you leave I'm - a - comin' with you  
Comin' with you, baby

I'd hit the ground  
I'd hit the ground runnin'  
I know exactly what I'd do, sugar  
I'd hit the ground  
I'd hit the ground runnin'  
I'd hit the ground runnin' after you  
There ain't no doubt, I ain't that proud  
There ain't no doubt about what I'd do  
I'd hit the ground
