

Dans: What You Gonna Do With The Band

Artist: The Refreshments

Song: A band's gotta do what a band's gotta do

Well we hit the road back in our teens
Tryin' to make a livin' followin' a dream
Drivin' around from town to town
Settin' up the gear n tearin' it down
Anything to get us through
Cause a band's gotta do what a band's gotta do

We gave it all up spendin' all our time
Playin' our thing makin' nickels and dimes
We gave our lives to rock n' roll
We let the ol' devil take our souls
Anything to get us through
Cause a band's gotta do what a band's gotta do

We've seen hard times along the way
But we made a vow we're here to stay
One of these days we will be found
You just cant keep a good band down
Anything to get us through
Cause a band's gotta do what a band's gotta do

We've lost old friends found a few new
Some good hearts been broken in two
And though sometimes things been gettin outa hand
We've been standin' by our band
Anything to get us through
Cause a band's gotta do what a band's gotta do

Anything to get us through
Cause a band's gotta do what a band's gotta do
