Whole Again

If you see me walking down the street
Staring at the sky
Dragging my two feet
You just pass me by
It still makes me cry
You can make me whole again

If you see me with another man
Laughing and joking
Doin' what I can
I won't put you down
Cos I want you around
You can make me whole again

Looking back on when we first met
I can not escape and I can not forget
Baby you're the one you still turn me on
You can make me whole again

Time is layin' heavy on my heart
Seems I've got too much of it
Since we've been apart
My friends make me smile
If only for a while you can make me whole again

Lookin' back on when we first met
I can not escape and I can not forget
Baby you're the one you still turn me on
You can make me whole again

So now I'll have to wait
But baby if you change your mind
Don't be too late
Cos I just can't go on
It's already been too long
You can make me whole again

Woah woah woah woah
Lookin' back on when we first met
I can not escape and I can not forget
Baby you're the one
You still turn me on
You can make me whole again

Woah woah woah woah
Lookin' back on when we first met
I can not escape and I can not forget
Baby you're the one
You still turn me on
You can make me whole again

Baby you're the one
You still turn me on
