

Dans: You'r So Naughty  
Artist: Lorrie Morgan & Sammy Kershaw  
Song: He Drinks Tequila

Everybody knows her, little Miss Rosa  
The queen of the trailer park  
Well, she's a hot pepper and you'll never forget her  
If you ever let her break your heart  
Senor' Jose, works all day  
Sweatin' in the red hot sun  
Row after row, everybody knows  
What they do when the weekend comes

He drinks tequila, and she talks dirty in spanish  
Him in his sombrero, her in her purty pink jammies  
The dance all night to the Mariachis  
Till there ain't nobody left standin'  
He drinks tequila, and she talks dirty in spanish

Well, the music is blarin' and the neighbors are starin'  
That whole dang trailer is a-rockin'  
Jose's a-howling', the Chihuahua's growlin'  
And Rosie's peelin' off her silk stockings  
"Yo Senora, kiss my body, a brasa mi puerta"  
"Ay, yi yi yi, hoochie-coo, to dal ay nochay"

He drinks tequila, and she talks dirty in spanish  
Him in his sombrero, her in her purty pink jammies  
The dance all night to the Mariachis  
Till there ain't nobody left standin'  
He drinks tequila, and she talks dirty in spanish

He drinks tequila, and she talks dirty in spanish  
Him in his sombrero, her in her purty pink jammies  
The dance all night to the Mariachis  
Till there ain't nobody left standin'  
He drinks tequila, and she talks dirty in spanish
